PROFILE

Self-taught front-end developer with strong foundational knowledge in HTML, CSS, JavaScript, React, and related technologies. Seeking an entry-level front-end developer position to leverage my skills in creating responsive and dynamic web applications. Eager to learn and grow within a collaborative team environment.

WORK EXPERIENCE

Hyundai

10/2021 - 03/2022

Workshop Supervisor

- Learned to manage work and handle pressure effectively, ensuring smooth workshop operations and customer satisfaction.
- Gained skills in teamwork and team management to maximize output and efficiency.
- Monitored work processes and maintained close client relationships.

La Oston Bite

04/2022 - 09/2022

Waiter

- Managed customer service operations, ensuring client satisfaction and efficient service delivery.
- Coordinated deliveries, overseeing timely and accurate order fulfillment.
- Handled market procurement, maintaining inventory levels, and sourcing quality products.

Aloghor

2018-2020

Salesperson

- Worked as a salesperson for Aloghor, a book printing company, selling books to various schools and colleges within the district.
- Engaged with different people daily, building strong communication and sales skills while promoting company products.

PROJECTS

Text Formatter

- A website that is built with React and Bootstrap that helps to format or analyze text.
- <https://textformatter-sigma.vercel.app>

Portfolio Website

- Created a personal portfolio website using React and Tailwind CSS to showcase my projects. Implemented responsive design.
